

**Call For Book Reviews: Issue 5, 2017**  
***Pulse: A History, Sociology & Philosophy of Science Journal***

*Pulse* is a double-blind, peer-reviewed graduate and young scholars journal founded and housed within Central European University (CEU) and the Science Studies Program there.

We are looking to publish Book Reviews for recent books in the areas of:  
general philosophy of science; philosophy of life sciences; philosophy of physics; sociological approaches to science; feminist approaches to science; science and new materialism; the history of a science; history of medicine; the pluralisation of scientific knowledge; science and pseudoscience; science and technology studies; digital humanities; literature and science; science and art practices; environmental sciences and animal studies.

Book reviews should be between 800-1000 words.

We are happy to assist in obtaining the book for you. Please send us your suggestions for book reviews to: [pulse.scistudies@gmail.com](mailto:pulse.scistudies@gmail.com)
